And we also participate at International Furniture Fairs 2010 such as International Furniture Fair Singapore, International Furniture Fair & Craft Fair Indonesia (IFFINA), and China International Furniture Fair. All these fairs will be held on March.

These are large events that held annually and used to attract buyers and importers from around the world to take a part of these fairs.

Due to that, JAVA-Jati Visions Raya with its Balitropica also participates at these fairs, with the latest and inspired products which are in high quality but in very competitive price. Moreover JAVA has achieved ISO 9001-2000 as Quality Management System.

Perhaps you are looking for unique furniture that will look great but also provide you comfort and suit to be sold in your business market.

Come and join us at our booths. There is no doubt that you can find wonderful looking and very comfortable rattan and wooden furniture, unique accessories, and lighting from JAVA-Jati Visions Raya at these International Furniture Fairs.
